Are you interested in a male/female or either?

Which coat colour do you prefer?

Do you prefer the curly coat or flatter coat? (Please also understand that a Cavapoo's coat can change, some take on a more curly coat and some can have a much flatter coat and it's not always apparent from being a puppy how the coat will grow)

Are you open to another colour/coat type or sex? Please give more information.

When are you ready to bring a puppy into your home?

Have you owned a dog before? Please tell me a little more about this.

Do you have any other dogs/pets currently at the moment?

What made you interested in a Cavapoo?

Who will be responsible for the puppy?

What would be the puppy's daily routine in your home?

Where would the puppy sleep at night?

How many hours a day for work or other commitments would the puppy be left alone?

Would you be planning to take time off work to settle in your puppy?

Are you aware of the socialisation and grooming needs of a puppy?

Do you have a safe garden?

Will you be neutering your puppy?

You do understand the puppy can not be used for breeding?

Does anyone in your household have allergies to pets?
